The pages of our employee manuals contain 200 words on an average. A manual of 8,000 words (40 pages) is the minimum size. Normally this is the size needed by companies of up to 20 employees. Manuals of 20,000 words (100 pages) or more are usually needed by large corporations. Sizes in between the established four sizes are provided where required. Additional words are charged at \$ 25.00 per 200 words (= per page). Please note that all charges are based on the word count (and not on the page count).

Layout: All manuals, including the ones in non-Roman characters, are wordprocessed on PC or Macintosh state-of-the-art equipment, MS Word or compatible foreign language software. A table of contents and all standard formatting features (centering, underlining, bolding, italicizing) are included in the standard rates. Any additional formatting features (tables, columns, boxes, different typestyles or typesizes etc.) are considered **Page Layout**. These features are only provided upon request and charged extra. **Desktop Publishing** is available on the latest versions of QuarkXPress, and the Adobe family of programs with PageMaker, FrameMaker, Acrobat, Illustrator, Photoshop and In-Design, and many other applications. Your logos, graphics and pictures will be inserted or scanned in at \$ 10.00 per item.

E-Format and Output: For target languages with Roman characters, **two electronic files, one in PDF format and one in WORD format**, are included with the project without charge. For target languages with non-Roman characters, **an electronic file in PDF format** is included. Additionally, output in form of hardcopy is included without charge where required. Other forms of electronic format or output are available for an additional charge. **There is no file format that WordExpress cannot accommodate.**

Delivery: Available via e-mail, online FTP transfer, fax, messenger, UPS or via any other service if so requested. Additional charges will accrue for any delivery other than electronic and/or fax delivery.

Legal Certification: Upon request, WordExpress provides a legal review of the employee manual by a qualified attorney. In this case, the manual will be submitted with a certification in form of an affidavit by our attorney. This certification confirms that the manual is in line with all legal provisions and requirements.

A 50 % **deposit** is required for all orders. **All balances are due upon delivery of the project unless otherwise arranged. We accept VISA, MASTERCARD, DISCOVER, AMEX and FAXCHECK. Payments may also be made through our website www.wordexpress.net. Simply click on the button PAY HERE and follow instructions.**
